**The Best is
Yet to Come**

WATCH

Cy Coleman set Carolyn Leigh's lyrics to music to create the indelible song "The Best Is Yet to Come" in 1959. Then, in 1964, Frank Sinatra recorded it with Count Basie and his orchestra and Quincy Jones as producer. The song made its mark on American culture and unintentionally points to one of the greatest gospel truths—something is coming, and it's good!

As culture shifts all around us, we adjust our plans and find a new footing. A generation ago, more people attended religious services than do now. This cultural shift means that every religious institution faces challenges. We are no different, yet God is moving in our midst. Despite the cultural challenges, there are many reasons to be optimistic about the future at University Baptist Church.

"Worship + Wonder" presents us with a new paradigm for children's spiritual formation in worship, and Elizabeth's enthusiasm for children's ministry is contagious. The children's choir is building momentum on Wednesday nights. The deacons are reading *Growing Young*, and they embrace the idea that we need to be intentional in how we nurture all people. We are excited about Megan Sharp's arrival on November 3 and praying for the start of her ministry. The Stewardship Committee and Roy Thomas are planning Consecration Sunday for November 10. Our Wednesday ice cream giveaway has taken a life of its own, and we are starting to build relationships with the people who come each week. Alaysia has been doing a great job leading this ministry.

Volunteers Needed

Sign up to help us give out ice cream each Wednesday! Click [this link](#) to add your name and join us any time between 10:30 and 11:30 to help set up and/or between 11:30

and 1:30 on the front steps to serve the ice cream. This is a very popular outreach ministry of the church.

Behind the scenes, Alan and Susan have been working on audio improvements. This will be especially noticeable during worship services. We have some new hardware that will help produce a higher quality sound for people in the sanctuary and those who listen on the radio or watch online. By early next year, the audio operator will be at a new desk next to the video operator.

One word that comes up often in our staff meeting, at the Church Council meetings, and in other settings around the church is: momentum. The random sampling of events and actions in the previous two paragraphs point to something happening. God is at work. Things are moving, and they seem to be moving in the right direction.

“The best is yet to come, and won’t it be grand.”

Peace,
Matt

Our Pastor on WINA

Dr. Tennant was Jay James' guest on WINA's Morning News last week. He appears on WINA once per month to provide commentary on the news from a faith perspective. This month he joined the program to discuss the “Blessing of the Officers” event being held at 11am Sunday at University Baptist Church. They also discussed community relationships with police and much more. In case you missed it, you can [hear the interview here](#).

A poster for the UBC Youth Retreat. The top left has the text 'UBC YOUTH RETREAT!' in large, bold, white letters. To the right is a speech bubble with the text 'Trust...What is it? What if trust breaks? Can it be repaired?'. Below this is a small photo of a group of people. At the bottom, it says 'Friday - Sunday, November 15-17, 2024' and 'CrossRoads Camp - Lowesville, Virginia'. There is also a small text box that says 'Do you ever find it hard to trust? Have people let you down? Come get away with us on this mountain retreat and explore what it means to hold on to trust when life is hard.' At the very bottom, it says 'Open to youth in 6th - 12th grades \$125 per person - scholarships available'.

Fence Painters Needed

Last Friday, three volunteers from Emerson (formerly GE) joined us to help prime our playground railings as part of the United Way Day of Caring. We appreciate their labor and the fellowship while we

worked. Now that a section of the railings has been primed, it needs to be painted. If you would like to assist in painting a section, please contact [Alan Hendricks](#).

Opportunity to Feed the Homeless

On Wednesday nights we frequently have leftovers from our dinners. We contacted The Haven, a day shelter for the homeless in Charlottesville, and asked if they could use this leftover food. They immediately responded with a yes.

This is a wonderful opportunity to feed the hungry right here in our own community. If you could help with transporting this food to The Haven twice a month on Wednesday or Thursday mornings, please contact [Linda](#) in the church office.

"The Great Dechurching"

It is greater than the First and Second Great Awakening and every revival in our country combined...but in the opposite direction. Yet precious little rigorous study has been done on the broad phenomenon of dechurching in

America. Jim Davis and Michael Graham have commissioned the largest and most comprehensive study of dechurching in America by renowned sociologists Dr. Ryan Burge and Dr. Paul Djupe.

The Great Dechurching takes the insights gleaned from this study to drill down on how exactly people are dechurching with respect to beliefs, behavior, and belonging.

You'll explore what can be done to slow the bleed, engage the pertinent issues winsomely and wisely, and hopefully re-church some of the dechurched.

A Work in Progress!

We look forward to welcoming her to our worship leadership team.
